### Admission Requirements

Applicants will be admitted upon completion of the following requirements:

1. Achieve minimum required score on the Test of Adult Basic Education (TABE).
2. Must meet course pre-requisite requirements as described in course catalogue.
3. Create financial plan with training specialist.

### Admissions Testing

The Test of Adult Basic Education (TABE) is used to determine applicant's reading comprehension and math abilities. This test is administered, free of charge and by appointment only. Please call (607) 739-7905 or (607) 739-4296 to schedule an assessment.

This is a timed test and must be completed within the timeframe allotted. A free study guide is available online at [www.gstboces.org/adulted](http://www.gstboces.org/adulted) under the "TABE Preparation" tab.

Test results are available within one week of the test date. The training specialist will call students with TABE results. The specialist will discuss a more detailed breakdown of all tuition and associated program costs or payment plans. The specialist also will refer students to the Financial Aid Office if applicable. Candidates who do not meet the required minimum scores may retest or attend a skills upgrade class.
