

Science Center: Research Tornado Safety

What should you do if a tornado is coming and you are indoors?

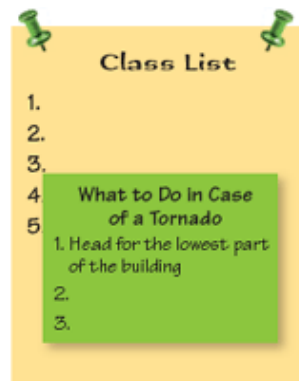

1. Use the following web sites to gather information:

- <http://www.fema.gov/kids/tornado.htm>
- <http://skydiary.com/kids/tornadoes.html>
- <http://www.weatherwizkids.com/tornado.htm>
- <http://www.nssl.noaa.gov/edu/safety/tornado.html>
- <http://www.tornadoproject.com/>
- www.worldbookonline.com or <http://worldbookonline.com/kids/Home> (once at the site, do a search on **tornado**)
- www.go.grolier.com (once at the site, do a search on **tornado**)

2. List your findings on index cards using the example below as a model:

Your Name
Web site used:
Facts found:
1)
2)
3)

3. Share your findings with your team and create a group list of steps to take in case of a tornado.

Early finishers: Design a poster that shows what to do if you are caught OUTDOORS during a tornado.
