The Healthy Kids Lunchroom

FEBRUARY 2018

LEARN EASIER

Researchers studied 1200 elementary school kids who were given lunches with more whole grains, fruits, and vegetables and found "significant increases in math scores." Eating healthier helps make learning easier for kids!

Did you know school meals include whole grains?

LIVE HEALTHIER

You don't have to eat a TON of fruits and vegetables to get to the recommended 2 cups of fruit and 2.5 cups of vegetables per day. One small apple equals about a cup. Same for a large banana, 8 large strawberries, 12 baby carrots, a large ear of corn, 24 large grapes, 10 broccoli florets, or a medium potato. In the course of a day, we should be able to eat WAY MORE than the recommendation, and that would be WAY HEALTHIER!

Did you know school breakfast and lunch includes up to five daily 1/2 cup servings of fruit and vegetables?

Just one of the reasons we continue to be a great value!
